Santa Claus Letters

DEAR SANTA CLAUS:

I want a doll and some apples and a doll buggy that won't break down, and I want a little dresser to, and some ranges and a little box of candy that has your picture on it; and a little wagon for my little sister. I have two little sisters. Bring a rubber doll for my littlest sister, for she will break the nice dolls and bring a doll for my other sister. We will keep the door unlocked so you can get in. I am seven years old.

Gladys Hall.

DEAR SANTA CLAUS:

I am eight years old. I have only been going to school two months and am most afraid you can't read this but I hope so for I want you to bring that six dollar doll on B St. If you can't bring that one the one for three dollars will do. I want a doll buggy too and anything else you want to give me. Now dear Santa please don't forget me, your friend,

Forest Whitley.

DEAR SANTA CLAUS:

I live way down here in Anadarko. We live on A street in the last house in the last end. You mustn't bring a sled for we have not had much snow. And you know that there is lots of poor children here and I would like for all the children to have some things if we don't get much. I have a little sister that can't write to you and a little brother too that would like to have some candy and my little sister wants a doll with curly hair and a doll buggy, and I want a doll that has curly hair and I would like to have it dressed and I would like to have a doll buggy too. I am eight years old.

Vera Lewis.

We live in Anadarko and bring me a wife and a pair of rollerskates. We live on A street, the last house to the east end; and some candy but my little brother mite want a doll. I would like a book strap. I hope you will not get very old.

Clair H. Lewis.

I am a little girl seven years old and please don't forget me. I would like to have a little dollie with blue eyes and curly hair and a little buggy to ride dollie in. I live on A St. lot 2 block 32. Yours truly,

Belle Berlin.

DEAR SANTA NICK:

I want you to bring me an air gun to kill a jack rabbit. I live on A street just 2 lots this side of nowhere. If I'm a sleep when you come just drop it down the chimney and I'll get it. Melvin Williams.

DEAR SANTA CLAUS:

I am going to write you a letter cause I know you would like to hear from me. I do hope you will get it in time but this is so far away from where I lived last Xmas that maybe you won't get it. Now dear Santa Claus if you will please bring me a nice doll with brown hair and a stove to get her something to eat in I will try to be just as good as a little girl seven years old can be. Good by till Xmas.

Saved His Life

"I wish to say that I feel I owe my life to Kodol Dyspepsia Cure." writes M. C. Christensen of Haystack, Minn. "For three years I was troubled with dyspepsia so that I could hold nothing on my stomach. Many times I would be unable to retain a morsel of food. Finally I was confined to my bed. Doctors said I could not live. I read one of your advertisements on Kodol Dyspepsia Cure and thought it fit my case and commenced its use. I began to improve from the first bottle. Now I am cured and recommend it to all." Digestive your food. Cure all stomach troubles.—W. H. Smith & Son.

D. S. Mitchell, Fulton, Md. "During a long illness I was troubled with bed sores, was advised to try DeWitt's Which Hazel Salve and did so with wonderful results. It was perfectly cured. Health and Beauty.

A poor complexion is usually the result of a torpid liver or irregular action of the bowels. Unless nature's refuse is carried off it will surely cause impure blood. Pimples, boils and other eruptions follow. This is nature's method of carrying off the poisons which the bowels refuse to remove. DeWitt's Little Early Risers are world famous for remedying this condition. They stimulate the liver and promote regular and healthy action of the bowels but never cause griping, cramps or distress. Safe Pills.

An Evangelist's Story

"I suffered for years with a bronchial or lung trouble and tried various remedies but did not obtain permanent relief until I commenced using One Minute Cough Cure." Writes Rev. James Kirkman, Evangelist of Belle River, Ill. I have no hesitation in recommending it to all sufferers from maladies of this kind. One Minute Cough Cure affords immediate relief for coughs, colds and all kinds of throat and lung troubles. Forerunner of the unequalled. Absolutely safe. Very pleasant to take, never fails and is really a favorite with the children. They like it.—W. H. Smith & Son.

Gish & Baker have just received a carload of new furniture. Couches, iron beds, etc., and they will be offered to their customers at prices lower than ever before in the history of Anadarko.

Xmas novelties at W. H. Smith &

The Congregational church building is completed and services will be held in the new house tomorrow. Two of the furniture dealers of the city very kindly furnished chairs for seating the church until the pews which have been ordered are ready for use. The room will be warmed with two stoves, and nothing will be withheld that will promote the comfort of all who attend our services. The pastor and his members are all alike thankful to the friends and citizens of Anadarko who have so kindly assisted in a material way in the construction of their neat chapel, and all who come within the church doors will be welcome. The Rev. J. L. McDougall, of Des Moines, Iowa, will preach Sunday morning at 11 o'clock and at 7:30 p. m. Rev. L. B. Parker.

A recent issue of the El Reno American contained an account of a hold-up and robbery of one J. D. Hornbeck who claimed to be from Anadarko, in that city some nights ago. Everybody about town knows Hornbeck and everybody knows that he is strictly n. g. He owes nearly every saloon in town an unpaid bill for drinks and he probably has a big case of snakes and a cub reporter of the American thought he had a scoop on a big hold-up case.

Now is the time when the small boy begins to lead a life of angelic virtue, which would be suspicious were it not for the advent of the Christmas tree.
